

Curriculum Vitae

Personal details

Name: Lewend Mayiwar

Place/Date of birth: Stockholm, 18 November 1991

Citizenship: Sweden

Email: lewend.mayiwar@oslomet.no

Phone: +47 922 188 68

Website: www.lewendmayiwar.com

Employment

2026 – present	Full Professor of Organizational Behavior , Oslo Business School, OsloMet—Oslo Metropolitan University, Oslo, Norway
<i>Jan 2025 – April 2025</i>	<i>100% Parental leave</i>
2024 – present	Associate Professor of Organizational Behavior , Oslo Business School, OsloMet—Oslo Metropolitan University, Oslo, Norway
2023 - 2025	Postdoctoral Fellow in Behavioral Economics & Organizational Behavior , Linköping University, Sweden Affiliated with the JEDI lab
2019 – 2023	PhD Candidate , Department of Leadership and Organizational Behavior, BI Norwegian Business School, Oslo, Norway Specialization: Leadership and Organization. The PhD project examines the role of emotion regulation in managerial decision-making involving risk and uncertainty. Date of defense: September 12 th , 2023. Supervisors: Thorvald Hærem & Erik Løhre.
2022 – 2023	Visiting Scholar Department of Psychology, New York University, U.S. Visiting scholar at Trobe Lab
2020 – 2022	Research assistant , Department of Education, University of Oslo Reliability tests and translation.
2017 – 2019	Research assistant , Department of Leadership and Organizational Behavior, BI Norwegian Business School Administration of research laboratory; designing studies, collecting data, and running statistical analyses.
2016 – 2018	Student assistant , Learning Center , BI Norwegian Business School (resource center for teaching, learning and ICT)

Education

2020 – 2021	Qualification for Basic Pedagogical Competence (200-hours course), BI Norwegian Business School, Oslo, Norway
-------------	---

- 2016 – 2018 Master of Science in Leadership & Organizational Psychology, BI Norwegian Business School, Oslo, Norway
 Thesis: *“Noise and Cognitive Flexibility: Exploring the Moderating Role of Mindfulness, and the Mediating Mechanisms of Arousal and Cognitive Processing.”*
- 2013 – 2016 Bachelor of Science in Business and Economics, Mälardalens University, Västerås, Sweden
 Thesis: *“The Process of Retaining Knowledge: A Case Study of PwC.”*

University and Professional Services

- 2022 – present **Member of the steering committee**, [Norwegian Reproducibility Network](#)
 Involved in the coordination of a nationwide initiative to promote reproducibility in research, together with colleague at UiO’s Department of Psychology and Østfold University College.
- 2022 – present **Member of the Editorial Review Board**, Journal of Managerial Psychology
 Reviewing submitted manuscripts.
- 2019 – 2023 **Lead organizer**, ReproducibiliTea BI Oslo, BI Norwegian Business School
 The first "open science" journal club in Norway.

Peer review

- Journal of Experimental Social Psychology
- Personality and Individual Differences
- Motivation and Emotion
- PCI Registered Reports
- Psychological Reports
- Plos One
- BMC Psychology
- Frontiers in Psychology
- Annual Meeting of the Academy of Management

Research Grants & Applications

- Under review
 - 2025 – Young CAS Grant — **Project leader (NOK 750,000).**
- Successful grants
 - 2026 – Thematic Call, OsloMet — **Project leader (NOK 1 million).**
 - 2026 – OsloMet Seed Funding — **Project leader (NOK 75,000).**

- 2025 – OsloMet Seed Funding — **Project leader (NOK 50,000).**
- 2022 – BI Norwegian Business School Internal Grant — **Contributing role (NOK 70,000).**
- 2021 – BI Norwegian Business School Internal Grant — **Project leader (NOK 90,000).**
- Unsuccessful applications
 - 2025 – Research Council of Norway (FRIPRO) — **Project leader (NOK 8 million).**
 - 2025 – Stiftelsen Dam — **Project leader (not funded).**
 - 2025 – NAV (Norwegian Labour and Welfare Administration) — **Project leader (not funded).**

Software and Programming

- Programming languages: R (tidyverse, tidytext, ggplot2, lme4, etc.); basic Python
- Statistical modeling: mixed-effects models (lme4), Bayesian analysis (brms/rstan), equivalence testing (TOSTER), simulation-based power analysis (simr).
- Reproducible research: RMarkdown, Quarto/bookdown, Git/GitHub.
- Computational text analysis: tidytext, quanteda, social media APIs (e.g., Twitter/X).
- Software for statistical analysis: RStudio, JAMOVI, JASP, SPSS.

Languages

- Swedish: First language (fluent).
- English: Fluent, verbally and in writing.
- Kurdish: Mother tongue, good knowledge in reading and writing.

Publications

Note. ABS = Chartered Association of Business Schools' Academic Journal Guide (version 8, 2024), which ranks journals from 1 (modest) to 4* (world elite); NSD = [Norwegian Scientific Index](#) (Norwegian journal register; Level 1 = recognized, 2 = leading); IF = 1-year Impact Factor; Q1–Q4 = Scimago field-specific quartiles which indicates a journal's relative position within its field, based on citations weighted by the quality of the citing journals; ABCD = Australian Business Deans Council Journal Quality List, where journals are rated from C (lowest) to A* (highest).

Peer-reviewed articles

23 Publications. Per June 16, 2026: Total Citations: 832, h-index: 10, i11-index: 9, Google Scholar: <https://scholar.google.com/citations?user=Z-FRXGkAAAAJ&hl=en&oi=ao>
